

LABELLER KRONES CONTIROLL

RIF
CV07

MODEL
CONTIROLL

BRAND
KRONES

CATEGORY
LABELLER

Used KRONES Controll labeler, a highly efficient solution for labeling PET bottles, with a production capacity of up to 13,000 bottles per hour (bph) in the 500 ml format. Format change available. The supported label type is OPP (oriented polypropylene), with hot glue application for secure and long-lasting adhesion. The entire process is managed through an advanced Siemens PLC, ensuring precise management and optimal control of the labeling process.
